## GRAPHIC DESIGNER & ILLUSTRATOR

### ABOUT

I provide designs and illustrations to those looking to create a unique identity they can proudly put their name on. My goal is to work with you to produce collateral that represents the core of your brand, always aiming to surpass your expectations. With experience in a number of Adobe, Microsoft, and G-Suite programs. I am capable of creating a wide range of different assets for whatever your needs are.

### RELEVANT EXPERIENCE

CHARITY REBRAND  
PROJECT MANAGER  
*Okanagan  
Humane Society*

As the project manager of a team of four working to redesign the Okanagan Humane Society's branding, I organized the group and set deadlines to keep everyone on track. Together we created a new logo, website, promotional video, social media campaign graphics, advertising and merchandise for them to use.

LOGO REDESIGN  
*Various*

I have redesigned logos for different businesses and startups. I specialize in producing logo concepts which utilize subliminal design: creating multiple meanings in one image for unique branding.

ILLUSTRATION  
COMMISSIONS  
*Various*

I do work as a freelance digital illustrator for clients online and locally. From digital paintings to custom character designs, I have worked years to create my unique style of colour and composition.

SALES ASSOCIATE  
*711*

Highly regarded for my reliability and excellent interpersonal skills, I was often ranked at the top of sales for my store. It taught me how to be a key member of a team, and how to lead assertively.
